

EVANGELIST WAS READY TO RETIRE

But Continues Meeting at Petersburg When Ministers Urge It.

THOUGHT SOME OPPOSED

Young Man Accused of Diamond Theft May Enter Plea of Guilty.

[Special to The Times-Dispatch.]
PETERSBURG, VA., April 26.—It is estimated that fully 800 people from this city attended the opening of the Jamestown Exposition. One train, a Norfolk and Western special, at 6:45 this morning, carried 470, and big crowds left on the regular trains.

Rev. George C. Cates, who is conducting the union evangelistic meetings at Tabb Street Presbyterian church under the auspices of the Presbyterian, Methodist, Baptist and Christian Churches of the city, announced this morning that he was prepared to leave Petersburg at any time, because he knew that in some of the churches there was an under current of opposition to his manner of preaching, and as he could not change, it seemed that his meetings should be brought to a close. The clergymen and laymen assisting the evangelist, including Rev. Dr. William McC. White, of the Second Presbyterian Church; Rev. Dr. J. B. Winn, of the Washington Street Methodist Church; Rev. Dr. W. C. Taylor, of the First Baptist Church; Rev. J. R. Doan, of the West End Baptist Church; Rev. F. W. Moore, of the Second Baptist Church, protested against his leaving, and after a unanimous vote by the congregation requesting him to stay, Mr. Cates consented to do so.

Call to Pastor.

Rev. A. R. Love, of Hendersonville, N. C., has accepted a call to the West End Baptist Church, in this city. Rev. J. R. Doan, pastor of the West End Church, recently resigned to take charge of a church in Hendersonville.

May Plead Guilty.

It is understood that Harry Pugh, a white youth now in jail here for stealing a pocketbook containing \$120 in cash and a valuable diamond pin, from his employer, Max Figman, of "The Man on the Box" theatrical company, will plead guilty when the case comes up in the Municipal Court tomorrow and is certified to the Hustings Court. Pugh skipped with Mr. Figman's pocketbook on the night of the actor's appearance here. He was captured in Lynchburg, and confessed his guilt. The diamond pin and about \$10 of the money were recovered. Pugh was employed by him in Ashville, N. C., about three weeks before the theft.

Officers John Heelan and D. P. Eanes have been selected by the police commissioners for duty as plain-clothes men, under authority of an ordinance recently passed by the City Council providing for such service in the police department.

It is situated on the site of the old Farmer residence, which has been moved to the west of the new building, and converted into an attractive residence. BABY TORTURED BY ITCHING RASH

Face and Feet Covered—Rest Broken and Would Cry Until Tired Out—"Cradle Cap" Added to Baby's Torture—Tries Cuticura Soap and Cuticura Ointment.

IMMEDIATE RELIEF AND SPEEDY CURE

"My baby was about nine months old when she had rash on her face and feet. Her feet seemed to irritate her most, especially at night. They would cause her to be broken of her rest, and sometimes she would cry until she was tired out. I had always used Cuticura Soap myself, and had heard of so many cures by the Cuticura Remedies that I thought I would give them a trial. The improvement was noticeable in a few hours, and before I had used a box of Cuticura Ointment her feet were well and have never troubled her since. I also used it to remove what is known as "cradle cap" from her head, and it worked like a charm as it cleansed and healed the scalp at the same time. Now I keep Cuticura Ointment on hand in case of any little rash or insect bites, as it takes out the inflammation at once. Perhaps this may be the means of helping other suffering babies. Mrs. Hattie Currier, Thomaston, Me., June 9, 1906."

YOUNG HOBO QUILTS.

Wear of Road Life, He Goes Back to His People.

[Special to The Times-Dispatch.]
DANVILLE, VA., April 26.—Having grown tired of his experience with hobo life, Charlie Carroll, the white boy, about fourteen years of age, who ran away from his home in Ashville, N. C., several days ago, stopped a police officer on the street here yesterday and informed the bluecoat that he was the runaway. Carroll expressed a desire to return home, and requested that the police communicate with his people, which was done to-day. R. Z. Carroll immediately forwarded a railroad ticket, and the boy returned to Ashville. In company with two other boys, Carroll skipped out. His parents, it is said, were heartbroken over his actions.

LOVING BELIEVED GIRL WAS DRUGGED

Friend Repeats That Judge Was Under This Impression.

SENTIMENT YET DIVIDED

Little Bad Feeling Between Estes and Loving Families Since Tragedy.

[Special to The Times-Dispatch.]
LYNCHBURG, VA., April 26.—That Judge W. G. Loving, who killed Theodore Estes at Oakridge last Monday, believed his daughter had been drugged and maltreated when he killed Estes, and that he made such a statement before Jail Commissioner Payne at Oakridge Tuesday, when bail was allowed, was vouched for here this afternoon by a mutual friend of the Loving and Estes families.

This is said to be true, notwithstanding several statements issued from Lovingsburg, denying that such was the case. This gentleman is also author of the statement that there is a divided sentiment in Nelson county. Many people justify Judge Loving in his act, while many others believe Judge Loving would not have killed Estes if he had not jumped at conclusions and fired the fatal shots without giving his victim an opportunity to explain.

There is in Nelson county much talk and speculation relative to the tragedy and the causes, whether real or fancied, leading up to it, but the best advice here are to the effect that there is little bad feeling over it. Mutual friends of the Loving and Estes families are still visiting both families and condoling with each in their trouble and bereavement. There seems to be no bitterness on the part of these mutual friends, and none of them cares to lose the friendship of either.

This gentleman declared the members of the Estes family are demanding themselves with proper dignity in the trouble, and they are willing for the law to take its course. He thought, however, that they will not leave anything undone that can be used to clear the name of the dead man from the charge of suspicion of having wronged Judge Loving's daughter. Their sole effort, it is said, will be to show that Miss Loving was not drugged, and it is generally accepted that she was not.

Judge Loving has made no statement since the application for bail was refused on Tuesday morning, and it is not believed that he will talk again until the matter comes up for trial.

VANDALS AT WORK.

Cut Wires of Winchester Company Almost Every Night.

[Special to The Times-Dispatch.]
WINCHESTER, VA., April 26.—Claiming that wires of the company are being systematically tampered with to put the new Winchester and Washington Light and Power Company out of business, the officials of the company are sending every effort to apprehend the miscreants, and are causing the lines to be patrolled night after night. The light is no more than turned on until the cities and towns supplied from the plant at Millville are plunged in darkness. Investigation has proved that wires are being short-circuited purposely, and evidently the work of experts.

SALOON MEN WON.

Question of Location Decided by Judge Aiken at Danville.

[Special to The Times-Dispatch.]
DANVILLE, VA., April 26.—Judge A. M. Aiken, of the Corporation Court here, has decided in the contested liquor cases of A. L. Lang and E. E. Haley in favor of the saloon. The liquor establishments are located in the heart of the business section of the city, and a fight was made against the granting of license on the ground that the site was undesirable. About forty witnesses, including the merchants of the city, were examined in the cases. The opinion was divided.

MAY ARREST THE BANK DEFAULTER

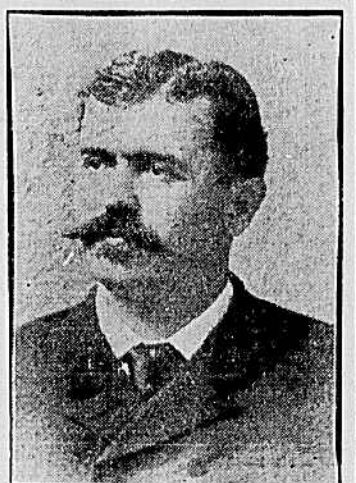

Alleged Accomplice of Cashier Jones Captured in Alabama.

SENT BACK TO CHARLOTTE

Fonville, a Cotton Broker, Friend of Franc Jones, to Have Hearing To-Day.

[Special to The Times-Dispatch.]
CHARLOTTE, N. C., April 26.—Percy G. Fonville, who is charged with conspiracy in connection with the embezzlement of \$78,000 from the Charlotte National Bank by Franc H. Jones, and for whom the authorities have been searching for weeks, was arrested yesterday at Laverne, Ala., and brought to Charlotte to-day by United States Secret Service Agents S. M. Wright and H. E. Thomas.

Fonville was a partner in the stock brokerage concern of Bell and Fonville for something over a year. The State law against bucket-shops broke him up, and he moved to Fort Mill, S. C., from which point he transacted his Charlotte business. It was through this office, it is alleged, that Jones lost much of the money he stole from the Charlotte bank. To lend color to this charge, Fonville's Fort Mill office was closed some time ago, and it was rumored that Jones disappeared from Charlotte March 20th. Rumors that Fonville has made a confession implicating Jones and other prominent persons, and that he has revealed the whereabouts of Jones, are in circulation, but the secret service officers refused to talk to permit Fonville to be interviewed. The government will prosecute Fonville and Jones also, if the latter is caught.

STUDENT ARRESTED.

Charged With Murder, but Claims It Was Accident.

[Special to The Times-Dispatch.]
GREENSBORO, N. C., April 26.—Daniel Brown, a student of the A. & M. College for the colored race, was arrested at the college yesterday on the charge of murder, committed in Onslow county in October of last year. The man who was killed was named Joe Shepherd. The Onslow county authorities say Brown murdered him. Brown claims that he was out hunting with Shepherd and accidentally shot him in the arm, inflicting a wound from which he bled to death. He was locked up in the county prison after arranging with President Dudley to telegraph his father the news of his arrest. Sheriff Jones notified W. C. Mills, of Onslow, of the arrest, and this morning received answer that the Onslow officials would come at once for the prisoner.

body had been found in the river. There were no eyewitnesses to the drowning, and the cause of the tragedy is consequently not known.

They told of the demand made by Black on the younger Rowland for whiskey; his replying that he didn't "have to get it"; the abuse by Black at the demand of the elder brother for an explanation of the treatment of his brother, and the three shots fired by Black with fatal result.

WANT SUNDAY SERVICE.

Winchester Business Men Appeal to the Railroads.

[Special to The Times-Dispatch.]
WINCHESTER, VA., April 26.—The Baltimore and Ohio and Cumberland Valley Railroad Companies will be urged to inaugurate a Sunday train service to Winchester. This action was decided upon last night at a called meeting of representative citizens of this city, and followed a most determined effort by the clergy and others to prevent such steps being taken. Mr. W. H. Baker, president of the City Council, presided at the meeting, and S. D. B. Conrad was made secretary. The opposition to a Sunday train service was very evident, and the final vote showed a very narrow margin for the service. The local clergy was unanimous in its opinion on the project. The committee, which is authorized to represent the meeting, will also ask for a union station at Winchester.
